2- PITCHES FOR CAMPING CAR/CARAVAN

Marked-out pitches only for the use of camping cars, camper vans and caravans.
Bookings are for at least 4 nights.

The rate depends on the period. It is calculated on the basis of a marked-out pitch with power (that basis price includes 2 people, 1 camping car or caravan with a car and a possible small tent) and of the number of extra people and dogs, and possible gear or car that doesn't fit on the pitch.

The price includes the electrical connection and the access to the three sanitary blocks (by gender, cleaned several times a day and equipped with hot showers, kitchen sinks, laundry sinks, and washing machines) and to our 'camper service' to empty and re-fill your tanks.

For these pitches, check-in time is between 12am and 22pm (time when the way-out for cars closes) and check-out time is between 8am (time when the way-in for cars opens) and 11am.

You have to pay 60 € as a deposit by credit/debit card to confirm the booking. The deposit won't be refund if you cancel the booking.
